

## THE CORINTHIAN YACHT CLUB OF PORTLAND OREGON

CYC was organized in 1974 for the primary purposes of sponsoring sailboat racing activities on the Columbia River, providing social and networking opportunities for its members and the sailing community as a whole, sponsoring educational activities and programs on sailing, and promoting amateur sailboat racing in general. We remain committed to the concept of a club just for sailors, and primarily for racing sailors. We are probably best-known for our sponsorship of the Oregon Offshore Race, Summer Evening Series, and the Sailing Seminar, but are just as proud of our other events, the success of our members in races all over the Northwest (and beyond), and the other contributions we are able to make to the sailing community.

## RACING

Racing is at the heart of CYC's activities. The Oregon Offshore Race remains the only international sailing event in Oregon, starting at the mouth of the Columbia River and finishing 200 miles later in Victoria, British Columbia. This is a major event in all respects and is attracting increasing attention from outside the local area. Columbia River races include the CYC summer Evening Series, Couple's race, Single-Hand Race, and CYC Fall Series.

## EDUCATION

In addition to the informal work to help CYC members get "up to speed" on the race course, each year, CYC sponsors a race seminar. Topics can cover racing rules, optimal sail selection and trim, boat preparation, crew organization, racing tactics, and various other go-fast topics. This seminar has been very popular with sailors new to racing as well as with successful veterans.

## SOCIAL EVENTS

In addition to the awards socials following its races, CYC sponsors a number of events for club members each year. Each month holds in store an event such as the West Marine night where members enjoy a 10% discount on all items or a relaxed evening social providing a chance to get to know other members and share stories. A complete calendar of events, race results, general club news and member profiles are published each month in the CYC Newsletter.

## MEMBERSHIP

Our two primary classes of membership are "Racing" and "Non-Racing." Racing membership is open to owners of yachts who can register in CYC-sponsored river races at no charge. Elected officers may be either Racing or Non-racing members, thus, becoming a non-racing member is an ideal way for crew to participate in club administration and decisions that help shape sailboat racing on the Columbia. Dues are used to support racing activities, social events, and club administration.

## Application For Membership

I hereby apply for membership as

- Racing Member                      Dues: \$125  
 Non-Racing Member                  Dues: \$45
